The RDPE Countryside Productivity Small Grant Scheme Round 2 is now open

The scheme provides funding for farmers to purchase equipment to improve the productivity of their farm. This scheme is only open to farmers based in England.

Farmers can apply for funding towards specific items of equipment listed at Annex 3 of the Countryside Productivity Small Grants Scheme Round 2 handbook.

All the items have been identified following consultation with industry groups and suppliers as helping achieve improvements in either:

- technical efficiency
- animal health and welfare
- resource efficiency, or
- nutrient management

Who can apply

Farmers in England (including livestock, dairy, arable and horticultural sectors) can apply for this grant.

Full details and guidance at

<https://www.gov.uk/guidance/countryside-productivity-scheme>

The Countryside Productivity Small Grant Scheme Round 2 deadline for applications is **midday on 3rd September 2019**.

Please remember to check your details on the Rural Payments service before you apply for this grant. You must make sure they exactly match with the details in your application form, or your application will be rejected.

This monthly feature has been introduced into the Hub newsletter to provide insight into some of the local funding initiatives. Many have an interesting history that goes back over many years and these funds have supported farming and rural businesses for training and development.

Herefordshire's Prince's Countryside Fund for training

Over the past 3 Years Herefordshire Rural Hub has worked in partnership with the Herefordshire Federation of Young Farmers' Clubs (HFYFC) to successfully deliver a Prince's Countryside Fund project. This has provided funding support for current HFYFC members and past members who have undertaken training. To date 180 past and present HFYFC members have had applications approved and there are still funds available for further applications. The funding is easy to access. Applicants must be a member of HFYFC (aged 10yrs – 26yrs) or a past HFYFC member (27 – 40 yrs). If you are eligible then all you need to do is select which course you would like to go on and complete the application form. You will be notified within 1 month if you have been successful or not. If your application is approved you will be able to reclaim 70% of your training and test costs, up to a maximum of £250. Training will not be funded retrospectively, so please apply in good time before your training is due. The fund will support training that will; improve your employability, increase or improve your skill set, improve your safety or allow you to undertake extra responsibility in your current job.

For further details and an application form please contact:

Herefordshire Rural Hub CIC, Agriculture House, Beech Business Park, Tillington Road, Hereford, HR4 9QJ

The Deakin and Combe Memorial Trust

are inviting applications for assistance with the cost of further education from those that are:

- **Studying or about to study an agriculture related course in the academic year 2019/20**
- **Whose parent(s) have made a contribution to agriculture in England or Wales**

Last year, successful candidates received grants of £500 - £1,000 towards such items as training courses, laptops and books.

Closing date for applications is 23rd August 2019. Grants to successful applicants will be sent out in October 2019.

To request an application form phone **02476 858574** or email rachel.harper@nfu.org.uk

Water Abstraction licences

- If you abstract or impound water or plan to do so, you may need to apply for an abstraction or impoundment licence.
- If you used to abstract water under an exemption, you must apply for a new licence (also known as a new authorisation). **You must apply before 31 December 2019.** Please apply as soon as you can so that the Environment Agency has enough time to accept and validate it before 31 December 2019
- Information, guidance & forms – click [HERE](#)

Environment Agency hotline for previously exempt abstractors

The Environment Agency has established a free hotline and bookable appointments service to help previously exempt abstractors complete their New Authorisation application forms by 1 October in order to meet the deadline of 31/12/2019.

The dedicated team will be supporting New Authorisations applicants by:

- answering any specific questions you may have
- helping you to decide if you need to apply for a licence
- talking you through completing your application form
- arranging a convenient call-back time to take them through their application
- The hotline and bookable appointments service can be accessed by calling our normal National Customer Contact Centre service on **03708 506506** and asking for New Authorisations, or by email via enquiries@environment-agency.gov.uk.

The Wye & Usk Foundation – Here to Help

Natural Flood Management: Our advisers are working with landowners in target catchments to help deliver Natural Flood Management interventions through a DEFRA funded project. The target catchments are the Dulas, Bodenham, Pentaloe, Tedstone, Cheaton, Ridgemoor and Red/Twyford Brook. The project is run in partnership with Herefordshire Council and we can offer soil structure assessments, infiltration rate tests, worm counts and organic matter testing. If you farm in one of the target catchment and would like to find out more please call one of our advisers or visit:

<https://www.herefordshire.gov.uk/info/200196/roads/345/flooding/6>

Metaldehyde: It was recently announced that Metaldehyde will be banned from 2020. It has been a concern in the Wye for many years due to its impact on Drinking Water abstractions belonging to Severn Trent lower down the catchment. We are asking users to continue to follow safe spreading and handling procedures with any Metaldehyde based slug pellets they have left to use up during this transition period. Alternative products which use ferric phosphate as the active ingredient are just as effective for slug control thankfully!

Our Advisers: Our team has expanded again, and we are now a team of 8 – Kate, Mike, Lucinda, Tom and Jonny are all working across Herefordshire – we have now been joined by Abi Croshaw who was previously with CSF. Liz Price currently delivers farm advice in the Welsh Wye and has now been joined by Bridie Whittle.

St Michael's Hospice

Mobile Hospice Support Vehicle:

St Michael's Hospice has a Mobile Hospice Support Vehicle which regularly visits all four corners of Herefordshire and beyond.

The idea of the vehicle is to spread the word about all the various services offered by St Michael's.

If your parish has a forthcoming fete or event you think might suit the vehicle's presence, please contact Michelle Havard at St Michael's for more information on 01432 852 621 or email mhavard@smhospicehereford.org

For more information on the wider services provided by St Michael's, visit st-michaels-hospice.org.uk

Open Gardens season:

The St Michael's Hospice Open Gardens season draws to a close as we approach Autumn.

On Sunday 18th August (2-5.30pm), Shobdon Court and St John the Evangelist Church will open to the public.

This is a rare chance to explore the impressive estate which features a centrepiece lawn and an arboretum with a mature tree canopy.

The church is an opportunity to see a wonderful example of 18th Century Rococo Gothic architecture.

Then, on Wednesday 18th September, spend the day in three exceptional Herefordshire gardens.

Start at The Laskett Gardens in Much Birch, the home of Sir Roy Strong, before heading to Grendon Court in Upton Bishop for lunch and short poetry recitals. Your final port of call is Brockhampton Cottage where 20 years ago garden designer Tom Stuart-Smith helped create the garden alongside owner Peter Clay.

Tickets must be booked in advance. To book tickets, or for more information on this event and Shobdon Court, visit st-michaels-hospice.org.uk

The Prince's Countryside Fund

The Herefordshire Federation of Young Farmers' Clubs (HFYFC) working in partnership with Herefordshire Rural Hub have secured funding to provide support for training in a **rurally based career** to the end of December 2019. The funding is easy to access. All you need to do is select which course you would like to go on and complete the application form. If your application is approved you will be able to reclaim **70%** of your training and test costs, up to a maximum of **£250**. **Applicants must be a current member of HFYFC or a past HFYFC member (up to 40 yrs old).**

The fund will support training that will; **improve your employability, increase or improve your skill set, improve your safety or allow you to undertake extra responsibility in your current job.**

Some examples of training that has been funded so far:-

B+E Trailer, Chainsaw Certification, Pesticide Applications, Shearing, Artificial Insemination, Tractor Driving, Forklift Truck Driving

You could even apply for funding towards a **Rodent Control** course

Whatever training you are applying for, **please ensure that you submit your application in good time before your course is due to take place, as training cannot be funded retrospectively.**

Please note, the appraisal panel meets on the first Monday of the month.

From Paul Crumpton, West Mercia Police – on Rural & Business Crime

A couple of weeks ago I spent an evening with a very select group from the Institute of Agricultural Secretaries and Administrators at the NFU offices in Hereford. My 1hr input rapidly turned into 2hrs as we discussed Fraud & Cybercrime and how it might affect

- i. them as individuals
- ii. their businesses.

Nearly £25M was lost across West Mercia from around 10,000 reported Fraud & Cybercrimes crimes alone in the last 12mths. (and that's just the incidents that were reported)

I think it fair to say the input and discussions were well received and were hosted by the Rural Hub in partnership with the Fastershire project. If this is something you would wish to see more of, do not hesitate to contact the Hub as Frances & Caron would be very pleased to hear from you.

If you want to take your business through an exercise to see how protected or vulnerable you are to cybercrime, the National Cyber Security Centre has produced a comprehensive online tool called 'Exercise in a box' which is FREE, and can be found here <https://www.ncsc.gov.uk/information/exercise-in-a-box>

If you would like to talk about Fraud, Cybercrime or any other crime reduction opportunities, please do not hesitate to contact me, **Paul Crumpton** (Rural & Business Officer, Herefordshire, West Mercia Police)
